Points Scored = Points Possible - (10 - (Laps Completed÷Winner Laps) x 10)

*The October 1st Championship will count as two races for any series racers who complete four other races. The score from the Championship race can therefore replace up to two lower scores of a racer's five scoring races. The October 1st race will count as one race for series racers who complete three or fewer other races.

Volunteer points: average of scoring races in exchange for 6 hours work approved by a race director at their race.
