**Color Code meaning for the above rider numbers:**

XXXX	These riders will automatically receive an overall series award based on the outcome of the WEMS - Romp in the Swamp Series Championship Race
XXXX	These riders are only ONE more race away, to qualify for a series award. If they choose to Volunteer at the WEMS championship race then that would also be a qualifier.
XX.X	These riders received Volunteer points for helping out at a WEMS event.

**Please inform us of any missing scores or other errors.**

The number of series awards are based on the number of riders in each class who complete four races in the Series.

Points Scored = Points Possible x Laps Completed ÷ Winner Laps

A rider's top six scoring races will count toward their point total.

Additional races will earn three bonus points.

\*The October Championship will count as two races for any series racers who complete four other races.

The score from the Championship race can therefore replace up to two lower scores of a racer's six scoring races.

The October race will count as one race for series racers who complete three or fewer other races.

Volunteer points: average of scoring races in exchange for 6 hours work approved by a race director at their race.
