Color Code meaning for the above rider numbers:

XXXX	These riders will automatically receive an overall series award based on the outcome of the WEMS - Thunderdown in the Underdown Series Championship Race
XXXX	Additional race scores beyond a riders best 6 scores will count as 3 points each.
XXXX	These riders received Volunteer points for helping out at a WEMS event.
XXXX	These riders received 50% credit of points earned in another category towards their points total in current category.

Please inform us of any missing scores or other errors.

The number of series awards are based on the number of riders in each class who complete four races in the Series.

Points Scored = Points Possible x Laps Completed + Winner Laps

A rider's top six scoring races will count toward their point total.
Additional races will earn three bonus points.

*The October Championship will count as two races for any series racers who complete four other races.

The score from the Championship race can therefore replace up to two lower scores of a racer's six scoring races.

The October race will count as one race for series racers who complete three or fewer other races.

Volunteer points: average of scoring races in exchange for 6 hours work approved by a race director at their race.
